SKILLS:

- Programming Languages: Python, JavaScript
- Web Development: HTML, CSS, Flask (Basic)
- Database: SQLite
- Tools: Git, GitHub
- AI & APIs: OpenAI APIs (Basic), Hugging Face (Learning Phase)
- Core Concepts: REST APIs, Object-Oriented Programming, Problem Solving

EDUCATION:

THE ISLAMIA UNIVERSITY OF BAHAWALPUR
IUB PAKISTAN
2024 -2028

BS Software Engineering (2nd Year / 4th Semester)

CGPA 3.55

LANGUAGE:

- English – Professional Working Proficiency
- Urdu – Native

PROFILE:

Motivated Software Engineering student with strong interest in Python, AI, and web development. Experienced in building Flask-based web applications and Python automation tools. Passionate about writing clean and efficient code while continuously learning modern frameworks and APIs. Currently building full-stack Flask projects and integrating AI-based APIs.

EXPERIENCE:

PYTHON & WEB DEVELOPMENT PROJECTS

(SELF-INITIATED DEVELOPMENT WORK)

2024 – Present

- Developed multiple web applications using Flask and modern frontend technologies (HTML, CSS, JavaScript)
- Built backend systems including APIs, authentication, and database integration
- Worked with SQLite for data storage and management
- Practiced Git & GitHub for version control and project collaboration
- Continuously exploring AI integration in Python applications

PROJECTS:

MYMONEYPAL – EXPENSE TRACKER WEB APP

- Built a full-stack expense tracking web application using Flask, HTML, CSS, JavaScript, and SQLite
 - Implemented features like add, edit, delete expenses
 - Designed a dashboard for financial analytics and tracking
- Focused on backend logic and database integration

PORTFOLIO WEBSITE

PERSONAL DEVELOPER PORTFOLIO

Designed and developed a responsive personal portfolio website to showcase my projects, skills, and professional profile in Python, Flask, and Web Development.

Key Features:

- Projects showcase section with live demos
- Skills and experience display
- Contact form for communication
- Fully responsive UI (mobile & desktop friendly)
- Integrated GitHub and LinkedIn profiles
